

Membrana Weekly News

Updates in [Beta 1.0](#):

-  Start Kucoin integration
-  Remove legacy code from web client
-  Move models into separated package to simplify microservices management
-  Release referral system

 We launched our referral system for new customers! Now everyone can earn with Membrana just by taking a part in it. [Read more](#) in our official Medium.

 [A new lesson](#) on our Youtube channel: How to conclude a contract for trust management, using Membrana blockchain platform.
